## Mom and Tammy Have a Talk

Mom and daughter, Tammy, are having a talk about puberty. Mom has a book on puberty she wants to give to Tammy. There are bubbles above their heads. Some of the bubbles show what they are thinking. The other bubbles show what they are saying.

**What is Mom thinking?**

**What is Tammy thinking?**

**What is Mom saying?**

**What is Tammy saying?**

Please write in the bubbles. You may write in any language you like. One-word responses are fine. The focus is on ideas.
